## IAPMO R&T Product Listing

**LEAD FREE**

This IAPMO R&T Listing is current as of May 15, 2024

*File Number:*

**11239**

*Issued To:*

**SWISS AQUA TECHNOLOGIES SK S.R.O.**

RUSINSKA 15113/9 080 01 PRESOV , Slovakia

*Product:*

**Lead Free Plumbing Products**

*Products are certified to the following standard(s)*

Section 1417(d) of the Safe Drinking Water Act The lead content requirements of Section 116875 of the California Health & Safety Code  
NSF/ANSI/CAN 372-2022

**IAPMO RESEARCH AND TESTING, INC.**

# CERTIFICATE OF LISTING

Issued To: SWISS AQUA TECHNOLOGIES SK S.R.O.

LEAD FREE      File Number: 11239

Product: Lead Free Plumbing Products

This IAPMO R&T Listing is current as of May 15, 2024

**Identification:**

Each product shall bear permanent and legible markings to identify the manufacturer. This marking shall be the trade name, trademark, or other mark known to identify the manufacturer. The product shall bear the appropriate IAPMO R&T certification mark. The product may also bear either "Lead Free" or "Low Lead" above or in close proximity to the IAPMO R&T certification mark.

**Characteristics:**

Products may include any pipe, pipe fitting, solder, flux, or other plumbing products providing water for human consumption. Products listed below are to be installed in accordance with the manufacturer's instruction. These products have been verified with weighted average lead content <=0.25%; Solder and flux lead content <=0.2%.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

## Models

Model Number	Description
IPS KALYXX/SCALERX WELEDDED 1"	Water conditioner device for supply line intended for a protection against limescale formation
IPS KALYXX/SCALERX WELEDDED 3/4"	Water conditioner device for supply line intended for a protection against limescale formation

Model Number	Description
IPS KALYXX/SCALERX WELDED 1/2"	Water conditioner device for supply line intended for a protection against limescale formation
IPS KalyxX RedLine 1/2"	IPS KalyxX RedLine is water conditioner which works on principle of patented technology - TGP (turbulent - galvano polarisation) and serves effective protection against lime scale creation in water supply system and its parts.
IPS KalyxX RedLine 3/4"	IPS KalyxX RedLine is water conditioner which works on principle of patented technology - TGP (turbulent - galvano polarisation) and serves effective protection against lime scale creation in water supply system and its parts.
IPS KalyxX RedLine 1"	IPS KalyxX RedLine is water conditioner which works on principle of patented technology - TGP (turbulent - galvano polarisation) and serves effective protection against lime scale creation in water supply system and its parts.
IPS KalyxX BlueLine 1/2"	IPS KalyxX BlueLine is water conditioner which works on principle of patented technology - TGP (turbulent – galvano polarisation) and serves effective protection against lime scale creation in water supply system and its parts. The BlueLine in addition contains 6 silver plated brass electrodes, which serve a natural antibacterial effect.
IPS KalyxX BlueLine 3/4"	IPS KalyxX BlueLine is water conditioner which works on principle of patented technology - TGP (turbulent – galvano polarisation) and serves effective protection against lime scale creation in water supply system and its parts. The BlueLine in addition contains 6 silver plated brass electrodes, which serve a natural antibacterial effect.
IPS KalyxX BlueLine 1"	IPS KalyxX BlueLine is water conditioner which works on principle of patented technology - TGP (turbulent – galvano polarisation) and serves effective protection against lime scale creation in water supply system and its parts. The BlueLine in addition contains 6 silver plated brass electrodes, which serve a natural antibacterial effect.

Additional Company Information

American Valve

Model Number	Description
Scale RX 1/2"	Water conditioner device for supply line intended for a protection against limescale formation
Scale RX 3/4"	Water conditioner device for supply line intended for a protection against limescale formation
Scale RX 1"	Water conditioner device for supply line intended for a protection against limescale formation
